Municipal Calendar

Island Monarchs, Dayle Gowan

MESSAGE FROM MAYOR RIC BRESEE

Once again, we reflect on another year where our community has been challenged by the COVID-19 pandemic. While 2021 offered a glimpse of promise with the rollout of vaccinations throughout the Kingston, Frontenac, Lennox & Addington region, we recognize that we must continue to be vigilant and united in our fight against COVID-19. Like anything that challenges us, we will be most successful when we work together with our family, friends, colleagues and neighbours. This municipal calendar is designed to provide you with valuable information on municipal services, but keep in mind that scheduled dates for activities or services in 2022 may still be affected by unplanned disruptions.

For the latest news and updates, please visit loyalist.ca or contact Customer Services at 613-386-7351 or info@loyalist.ca with any additional questions.

COUNCIL & COMMITTEE MEETINGS

LOYTWP

@LOYTWP

Council meetings are typically held twice a month, on the second and fourth Monday of the month at 7pm. During the COVID-19 pandemic, Council has been meeting virtually and the meetings are live streamed on the Council portal. For more information on meeting dates, times and meeting locations for both Council and Committees, please refer to the Council Portal at loyalist.ca/councilportal or contact the Clerk's office (Ext 120/121). Committee of the Whole meetings will follow Committee of Adjustment meetings if agenda warrants. **Delegations should contact the Clerk (Ext 121) to schedule their participation at least one week in advance of the meeting date.** Watch for *Council In Brief* flyers posted to social media after each Council meeting.

COUNCIL PORTAL

This is your portal for keeping up to date on your Council. The Council Portal enables residents to learn about council meetings, search for documents and by-laws, view reports and more! Subscribe to receive notification of published Council agendas and minutes directly to your email. Click on the Council Portal link on our website or visit the link above.

Please feel free to "Report a Concern" using the button on loyalist.ca home page.

GIVEAWAY DAYS

Blue Heron Morning Catch – Don Woodiwiss

woodiwissphotography.com

Residents of Loyalist Township are encouraged to take part in the “Giveaway Days” on April 16, June 11 and October 15. This is a great opportunity to de-clutter and find a new home for any unwanted items while also picking up something you may want or need for free! Keep gently used items out of the landfills by allowing others to re-use or up-cycle them.

Clearly label your items as **FREE** and place at the curb in front of your home from **7am** on the Giveaway Day. Unclaimed items must be removed by **5pm** on the same day and remain your responsibility. Loyalist Township will **NOT** be collecting unclaimed items.

PRECAUTIONS

The Consumer Product Safety Bureau of Health Canada advises that baby walkers, infant self-feeding devices, elongated tipped lawn darts and poly-carbonate baby bottles (BPA) are illegal to sell or give away. For further information visit Health Canada’s website at hc-sc.gc.ca.

FLIDO Free Large Item Disposal Opportunities loyalist.ca/flido

Residents may dispose of household large items at our landfills twice a year without charge. If you have used your two annual “FLIDOs” fees will apply.

WATER [loyalist.ca/water](https://www.loyalist.ca/water)

Northern Cardinal – Barb Swann

WATER CONSERVATION

Annual outdoor water use restrictions are in effect from **May 1 to September 30**. Residents with odd number addresses are permitted to water only on odd days and even number addresses on even days.

You can help lower your water consumption and save money on your water bill by re-directing your downspout to your lawn, garden or rain barrel; adding mulch to your garden to protect plants; and testing your lavatories for leaks. Fixing leaks can save you thousands of litres of water per year. Dye packs for testing are available at the Odessa Office.

HERITAGE

Loyalist Township has many buildings which add to the character of the community. The Heritage Committee is committed to assisting Council with heritage conservation, preserving the community's significant heritage buildings and assisting the community in preserving their heritage. If you own a Designated Heritage Property, you can apply for a Grant to help with the upkeep of the heritage aspects of your home. Applications are accepted starting in April.

WATER HAZARDOUS PRODUCTS loyalist.ca/recycling

Fantastic Fox Cubs – Barb Swann

HAZARDOUS PRODUCTS

Many common chemicals can degrade water quality. Do not dispose of chemicals such as paint, degreasers, motor oil, pesticides, fuel, solvents etc. through recycling or garbage. They should be taken to the **Kingston Area Recycling Centre (KARC)**. Loyalist residents may drop off hazardous waste at no charge. Refer to page 14 for further details.

WINTER SALT

Winter salt is essential in icy conditions but too much can harm water sources and wildlife. Try and reduce the amount of winter salt needed using these tips: shovel first, salt after; don't use more than needed; don't use salt in very cold temperatures as it's less effective below -11C – use sand or cat litter when its very cold.

FIRES, BANS & BURNING

Remembrance – Don Woodiwiss

woodiwissphotography.com

OPEN AIR BURNING

Open air burning in Loyalist is regulated. This includes outdoor burning in fire pits, chimineas, burn barrels and fire bowls. Please direct any questions to Emergency Services at 613-386-3762 or visit loyalist.ca/bylaws or loyalist.ca/fireservices to view.

FIRE BANS

For reasons of community safety, fire bans can be implemented by the Fire Chief at any time. Please check the website news or subscribe to the Emergency Services  @loyalistfire for regular news and updates.

Fire bans are implemented at certain times of year based on local conditions. Early spring is a vulnerable time in Eastern Ontario because grass and vegetation have not yet started greening up and can become extremely dry. Dry vegetation coupled with an extended dry or hot period as well as projected droughts can lead to a serious fire risk. Compliance during these periods is very important as vegetation fires require huge resources over an extended period of time and will leave fire departments short staffed and struggling to deal with other emergencies.

Don't be "the person who started the wildfire"!

BY-LAW ENFORCEMENT & PARKING loyalist.ca/bylaws

Doe, a deer, a female deer. . . – Barb Swann

BY-LAW ENFORCEMENT

By-laws help establish guidelines for people and activities in the Township. By-law enforcement officers work in the community to educate the public, respond to complaints and conduct investigations, issue warnings and penalties for by-law violations. Enforcement is carried out on both a proactive and reactive basis but in most cases officers respond reactively to community complaints. By-law Enforcement Officers (Ext 123) investigate issues such as noise complaints, property standards, littering/dumping, fences, portable signs, animal control and more.

OVERNIGHT PARKING RESTRICTIONS

On-street parking significantly impairs snowplowing efforts as staff must weave equipment in and around parked cars.

Regardless of weather conditions, it is illegal to park on any road or street in the Township between **1am - 7am from December 1 to March 31**, in accordance with Township by-law. This by-law is strictly enforced and vehicles in violation will be ticketed.
