LOYALIST TOWNSHIP loyalist.ca

Rising Mist – Paul Theriault

MESSAGE FROM MAYOR JIM HEGADORN

Looking forward to the new year, this municipal calendar has been designed to keep you connected to your community by providing valuable information on municipal services. I'm pleased to say that we will be enhancing the recycling and waste collection experience for Township residents through the introduction of the Recycle Coach app. I encourage you to download this free mobile app to get personalized recycling schedules, pick-up reminders, and access to the What Goes Where item look up tool. You can also receive notifications in the event of a service disruption or report concerns directly through the app. To learn more visit loyalist.ca/recycle.

I invite you to visit loyalist.ca for more information or contact Customer Services at T. 613-386-7351, use the Report a Concern feature on the website, or email info@loyalist.ca with any additional questions. Wishing you all a happy and healthy 2023!

COUNCIL INFORMATION loyalist.ca/councilportal

Outfoxed – Julie Dier

COUNCIL & COMMITTEE MEETINGS

LOYTWP

@LOYTWP

Council meetings are typically held twice a month, on the second and fourth Monday of the month at 7pm. Council meetings can be watched via live stream at loyalist.civicweb.net/Portal/Video.aspx. For more information on meeting dates, times and meeting locations for both Council and Committees, please refer to the Council Portal at loyalist.ca/councilportal or contact the Clerk's office (Ext 120/121). Committee of the Whole meetings will follow Committee of Adjustment meetings if agenda warrants. **Delegations should contact the Clerk (Ext 121) to schedule their participation at least one week in advance of the meeting date.** Watch for *Council In Brief* flyers posted to social media after each Council meeting.

COUNCIL PORTAL

This is your portal for keeping up to date on your Council. The Council Portal enables residents to learn about Council and Committee meetings, search for documents and by-laws, view reports and more! Subscribe to receive notification of published Council meetings agendas and minutes directly to your email. Click on the Council Portal link on our website or visit the link above.

Please feel free to "Report a Concern" via our online services page at loyalist.ca/OnlineServices.

BRUSH & YARD WASTE loyalist.ca/yard

Inuksuk – Laurie Kilpatrick

Residents may take compostable material and brush to the composting facility across from the **Kingston Area Recycling Centre (KARC)** located at 196 Lappan's Lane. Hours: Mon-Fri 8am-5pm and Sat 8am-4pm. Please call 613-546-0000 for further information.

PICKUPS take place twice a year on mainland Loyalist for both brush and waste. Brush piles or yard waste bags must not obstruct traffic or pedestrians. Crews will collect once on each street and will not return.

HOME COMPOSTERS may be purchased for \$37 at the Odessa Municipal Office. Brush is now accepted at the Amherst Island Landfill during normal hours of operation.

BRUSH PICKUP

April 17 & October 16

- Branches no longer than 1.82m (6ft) and no thicker than 10.16cm (4in) in diameter
- Stack brush with cut ends facing out (towards road) by 7 am on first day of pick up week.
- Stumps will not be picked up.
- Household limit of 1.78m³ (64cu ft) or one half-ton pickup truck load

YARD WASTE PICKUP

May 15 & November 20

- Organic debris not including food waste, animal faeces, soil, rocks or brush
- Place at road by 7am on first day of pickup week
- Paper bags only (plastic will not be collected)

April 2023

Never Miss a Collection Day!

WATER CONSERVATION

Waterfront at Sundown – Laurie Kilpatrick

OUTDOOR WATER CONSERVATION RESTRICTIONS in effect **May 1 - September 30**. Odd number addresses can water on odd days and even addresses on even days. An exemption for new sod or grass seed can be requested in writing by emailing info@loyalist.ca.

You can help lower your water consumption and save money on your water bill by re-directing your downspout to your lawn, garden or rain barrel, adding mulch to your garden to protect plants, and testing your lavatories for leaks. Fixing leaks can save you thousands of litres of water per year. Dye packs for testing are available at the Odessa and Manitou offices.

WATER LEAK FORGIVENESS ADJUSTMENT POLICY

The Water Leak Forgiveness Adjustment Policy provides metered single-family unit water supply customers an opportunity to request financial assistance in the form of a credit for abnormally high and unintentional (due to exceptional and unexpected circumstances) water bill charges resulting from undetected leaks in their plumbing system, provided such leak has been repaired.

View eligibility criteria for the policy online at loyalist.ca/WaterLeakForgiveness.

GIVEAWAY DAYS

Bath Canada Day – Ryan Bennett

GIVEAWAY DAYS

Residents of Loyalist Township are encouraged to take part in the “Giveaway Days” on **April 22, June 17 and October 21**. This is a great opportunity to de-clutter and find a new home for any unwanted items while also picking up something you may want or need for free! Keep gently used items out of the landfills by allowing others to re-use or up-cycle them.

Clearly label your items as **FREE** and place at the curb in front of your home from **7:00am** on the Giveaway Day. Unclaimed items must be removed by **5:00pm** on the same day and remain your responsibility. Loyalist Township will **NOT** be collecting unclaimed items.

PRECAUTIONS

The Consumer Product Safety Bureau of Health Canada advises that baby walkers, infant self-feeding devices, elongated tipped lawn darts and poly-carbonate baby bottles (BPA) are illegal to sell or give away. For further information visit Health Canada’s website at hc-sc.gc.ca.

FLIDO

Free Large Item Disposal Opportunities loyalist.ca/flido. Residents may dispose of large household items at our landfills twice a year without charge. If you have used your two annual “FLIDOs” fees will apply.

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
<p>DEDICATED TO SAFETY • JOIN THE TEAM School crossing guards are provided for eight locations in the Township. We are dedicated to the safety of children and all residents using crosswalks during the busy school year. Loyalist is continually recruiting for crossing guards to join the team. If you are looking for a rewarding casual position as a Crossing Guard, please contact the Community & Customer Services Services Department (Ext 180).</p>			<p>SMOKE & CO ALARM REQUIREMENTS Remember, it's the law in Ontario to have working smoke alarms on every storey of your home and outside all sleeping areas. If your home has a fuel-burning appliance or an attached garage, install a Carbon Monoxide Alarm adjacent to each sleeping area. For added protection, install a Carbon Monoxide Alarm on every storey of the home according to manufacturer's instructions.</p>			<p>1 Canada Day</p> <p>Canada Day</p> <p>Amherst Island Landfill CLOSED</p>

CODERED

Loyalist now uses **CodeRED**, a critical communications and emergency phone based notification system that residents can opt into. Once subscribed, you can receive geographically based alerts via phone including TDD/TTL, text or email. Alerts include weather warnings, evacuation notices, road closures, boil water advisories, service disruptions and more. To sign up, visit loyalist.ca/codered or download the **CodeRED** Mobile Alert App.

EMERGENCY PREPAREDNESS

Before an emergency happens, it's important to make sure you have a plan in place for your household. Follow the steps below:

- Develop your plan
- Build an emergency kit
- Make sure you stay informed should an emergency occur

Record the details of your emergency plan using the format that works best for you. Include a copy of your plan in your emergency kit and share it with those in your household.

HAZARDOUS PRODUCTS loyalist.ca/recycling

Rainbow Sky – Paul Theriault

HAZARDOUS PRODUCTS

Many common chemicals can degrade water quality. Do not dispose of chemicals such as paint, degreasers, motor oil, pesticides, fuel, solvents etc. through recycling or garbage, down the drain or in storm sewers. They should be taken to the **Kingston Area Recycling Centre (KARC)**. Loyalist residents may drop off hazardous waste at no charge. Refer to page 15 for further details.

WINTER SALT

Winter salt is effective in icy conditions but too much can harm water sources and wildlife. Try and reduce the amount of winter salt needed using these tips:

- Shovel before you walk/drive to prevent the snow from packing in and forming ice.
- Don't use more salt than needed.
- Don't use salt in very cold temperatures as it's less effective below -11C.
- Use sand or cat litter when its very cold.

October 2023

FIRES, BANS & BURNING

Nest Boxes – Julie Dier

OPEN AIR BURNING

Open air burning in Loyalist is regulated. This includes outdoor burning in fire pits, chimineas, burn barrels and fire bowls. Please direct any questions to Emergency Services at 613-386-3762 or visit loyalist.ca/bylaws or loyalist.ca/fireservices to view.

FIRE BANS

For reasons of community safety, fire bans can be implemented by the Fire Chief at any time. Please check the website news or follow [🐦 @loyalistfire](https://twitter.com/loyalistfire) for regular news and updates.

Fire bans are implemented at certain times of year based on local conditions. Early spring is a vulnerable time in Eastern Ontario because grass and vegetation have not yet started greening up and can become extremely dry. Dry vegetation coupled with an extended dry or hot period as well as projected droughts can lead to a serious fire risk. Compliance during these periods is very important as vegetation fires require huge resources over an extended period of time and will leave fire departments short staffed and struggling to deal with other emergencies.

Don't be "the person who started the wildfire"!

November 2023

AMHERST ISLAND FERRY: Regularly scheduled maintenance is advertised in advance on our website, social media, and on local radio (CJA1101.3 FM).

BY-LAW ENFORCEMENT & PARKING [loyalist.ca/bylaws](https://www.loyalist.ca/bylaws)

A Watchful Eye – Julie Dier

BY-LAW ENFORCEMENT

By-laws help establish guidelines for people and activities in the Township. By-law enforcement officers work in the community to educate the public, respond to complaints and conduct investigations, issue warnings and penalties for by-law violations. Enforcement is carried out on both a proactive and reactive basis but in most cases officers respond to community complaints. By-law Enforcement Officers (Ext 123) investigate issues such as noise complaints, property standards, littering/dumping, fences, portable signs, animal control and more.

OVERNIGHT PARKING RESTRICTIONS

On-street parking significantly impairs snowplowing efforts as staff must weave equipment in and around parked cars.

Regardless of weather conditions, it is illegal to park on any road or street in the Township between **1am - 7am from December 1 to March 31**, in accordance with Township by-law. This by-law is strictly enforced and vehicles in violation will be ticketed.

Stay Connected to Local Resources

KFL&A Public Health

KFL&A Public Health is a local public health agency with over 200 staff and 150 volunteers who deliver public health programs and services to the people of the KFL&A area. The underlying goal of its services and programs—from immunization, healthy weights, nutritious eating, food safety, raising healthy babies and children, sexual health, tobacco use reduction, and many other public health areas—is to promote and protect the health of the more than 190,000 residents of the Kingston, Frontenac and Lennox & Addington area. www.kflaph.ca

Lennox & Addington Libraries

Lennox & Addington Libraries has five locations two of which reside in Loyalist Township: Amherstview and Bath locations. Every day, the library helps people discover something new, connect with their community, and feel inspired. Across our branches you'll discover expansive collections, programming for all ages and interests, and welcoming faces and spaces. www.countylibrary.ca

Amherstview: Amherstview Branch is located within the WJ Henderson Recreation Centre at 322 Amherst Drive in Amherstview, ON.

Bath: Bath Branch is located at 197 Davy Street, housed in historic Layer Cake Hall, in Bath, ON.

County of Lennox & Addington

Lennox and Addington comprises the Townships of Addington Highlands, Stone Mills and Loyalist Township, plus the Town of Greater Napanee. www.lennox-addington.on.ca

Leaves, branches, brush, tree limbs & root balls up to 40cm (15") diameter & up to 90cm (3') in length, Xmas trees, sod (with majority of soil removed).

Materials **NOT Accepted**

Anything in any type of plastic; stone, dirt, other fills.

Alternate Drop-Off Location

Tomlinson Organics (fees apply) • 2069 Joyceville Road, Joyceville • T: 613-546-0884.

For yard waste and organic material only.

Stay Up To Date on Local Events

Loyalist Township is proud to host several community-based events throughout the year for our residents and visitors to participate in with their friends and families.

Interested in learning more about events taking place? Or wondering how to go about hosting an event in Loyalist Township? Contact our Cultural Development Coordinator by emailing explore@loyalist.ca.

Upcoming Events

Visit our Events webpage to learn about upcoming local events hosted by Loyalist Township, community partners, and local organizations and groups!

To have your event added to the Events webpage or to have your event content featured on the [@explore_loyalist](https://www.instagram.com/explore_loyalist) Instagram page, please contact our Cultural Development Coordinator by emailing explore@loyalist.ca.

Heritage, Culture & Tourism

Loyalist Township is proud to be home to these and other historical sites:

Fairfield House, Neilson Store Museum and Cultural Centre, The Babcock Mill, Fairfield Gutzeit-House and Bath Museum.

Visit loyalist.ca/historyandheritage to learn more and view the summer tour hours!

\$50 Credit on Water/Wastewater Bills

Loyalist Township offers a \$50 credit on water/wastewater bills to assist residents with purchasing a low-flow toilet or high-efficiency faucet to conserve water.

To apply, you will need:

- Detailed information of installed fixture in accordance with the terms and conditions.
- An electronic copy of the invoice/bill of sale.
- Your water/wastewater account number

Council approves an annual allotment to this program, therefore applications are first-come-first-serve.

Did You Know?

A cubic metre (m³) of water is 1000 litres. Some examples that are equivalent to one m³ are as follows:

- 7 filled standard sized bathtubs;
- 5 washing machine loads;
- 20 dishwasher loads;
- 36 minutes in the shower with a standard shower head;
- 1 hour use of a low-flow lawn sprinkler;
- 22 minutes use of an underground irrigation system;
- 9 days of a leaking faucet (steady drip);
- 0.5 days of a steady running toilet.

Switching to a low flow/high efficiency fixture could save a family of four can up to:

- 41 m³/year in water when switching to a 13L to a 6L toilet (16 flushes per day).
- 12 m³/year in water when switching from a standard to a high-efficiency faucet (12 minutes of runtime/day).

To learn more about the water conservation incentive program, including full terms and conditions, visit loyalist.ca/WaterRebate or contact the Utilities clerk at ext. 105.

Water Leak Forgiveness Adjustment Policy

The Water Leak Forgiveness Adjustment Policy provides metered single family unit water supply customers an opportunity to request financial assistance in the form of a credit for abnormally high and unintentional (due to exceptional and unexpected circumstances) water bill charges resulting from undetected leaks (or other undetermined causes) in their plumbing system, provided such leak has been repaired.

Review program information and eligibility requirements, by visiting loyalist.ca/WaterLeak or by contacting the Utilities clerk at ext. 105.

TAXES & UTILITIES

loyalist.ca/payments

ONLINE SELF SERVICE

Visit loyalist.ca and click on ONLINE SERVICES to create your secure account. This allows you to access your utilities and property tax accounts allowing you to see your account balance, payment record and bill history at any time. In order to register you will need your account number and access code which can be found on your bill.

PRE-AUTHORIZED PAYMENT PLANS

Loyalist Township offers options for the convenient payment of property taxes and utilities. Visit the link above for details and an application form, or contact the Tax

Department ext 119 or Utilities Department ext 105.

UTILITIES E-BILLING

Go paperless and you will receive an emailed PDF version of your utilities bill. The e-bill will look exactly the same as your current paper bill, and your payment options and bill dates will remain unchanged. If you would like to take advantage of this, complete the setup form on our website or contact the Utilities Clerk by phone at ext 105, or by email at utilitiesbills@loyalist.ca

Protect your water meter during cold months

Do you escape the cold Canadian winters by heading to warmer climes? If you're a municipal water customer, it's your responsibility to ensure your water meter is protected from freezing.

This picture shows the underside of a water meter removed from a building that was unheated during the winter months. The frost plate of the meter is cracked from the water in the meter having frozen and expanded.

Under the Township's Water Works By-law 2018-061 (Sections 11.12, 11.13, 11.16, 11.17), every property owner is liable for the safety and care of the water meter, including providing adequate frost protection. If the meter is damaged by freezing in an unheated building, the property owner is responsible for its replacement.

If you're planning to be away for an extended period during the winter months, plan to have your home checked regularly to ensure a minimum temperature is maintained in your absence. You can also schedule an appointment with the Utilities division to have your water turned off at the curbside (the valve at the street) for the winter months. To schedule this service, please contact the Utilities Clerk by phone at 613-386 7351, ext. 105, or by email at utilitiesbills@loyalist.ca.

Get your building permit online

Thinking about that upcoming building project?

Loyalist Township has recently introduced CityView Portal.

Through CityView portal, Loyalist Township residents can apply for building permits, request meetings and inspections, view public information, and more online, anytime, from anywhere.

Creating an account is quick and easy!

Get started today by visiting: loyalist.ca/permits

Landfill & Recycling

HOUSEHOLD HAZARDOUS WASTE (HHW)

Residents may dispose of HHW at the **Kingston Area Recycling Centre (KARC)**. HHW waste cannot go in your garbage and must be diverted from landfills. Please see the chart on this page for details of HHW and Landfills.

cityofkingston.ca/resident/garbage-recycling/recycling-facilities/

Recycling Binsloyalist.ca/recycling

- New residents are entitled to one free grey bin and one free blue bin
- Damaged bins can be exchanged free of charge at the Odessa Municipal Office or the WJ Henderson Recreation Centre
- Additional bins can be purchased for \$8 each

Waste Collectionloyalist.ca/garbage

- **Garbage & recycling** is collected in all wards of Loyalist Township except Amherst Island where they must be delivered to the Amherst Island landfill
- Garbage & recycling must be at the curb by **7am** and both are usually collected before **5pm**
- **Every garbage bag needs a tag** but there is no limit placed on the number of bags/cans put out.
- **The following restrictions apply:**
 - Maximum weight is 40lbs/18kgs per bag/can
 - Bags no larger than 30in x 38in/75cm x 95cm or a can size of 17 gallons/77 litres
 - Tags are \$2.50 each, sold in sheets of 10

FLIDO (Free Large Item Disposal Opportunities)loyalist.ca/flido

- Residents may take advantage of a FLIDO at any time during landfill opening hours, including some summer/fall Saturdays marked on the calendar
- All Township households have two FLIDO per calendar year
- One FLIDO is the equivalent of one pick-up truck load, with a cargo capacity of 8ft x 4ft x 2ft (64ft³) or 2.44m x 1.22m x 0.6m (1.78m³)

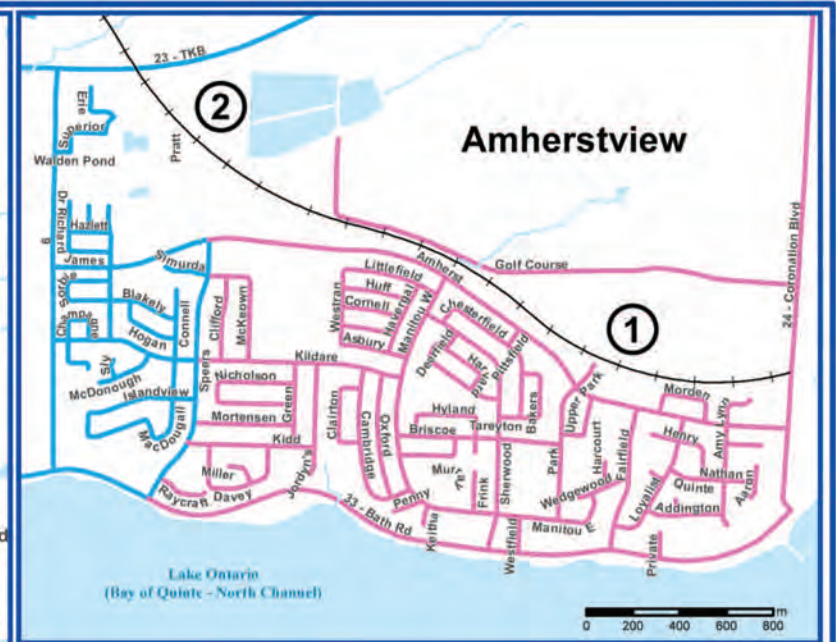

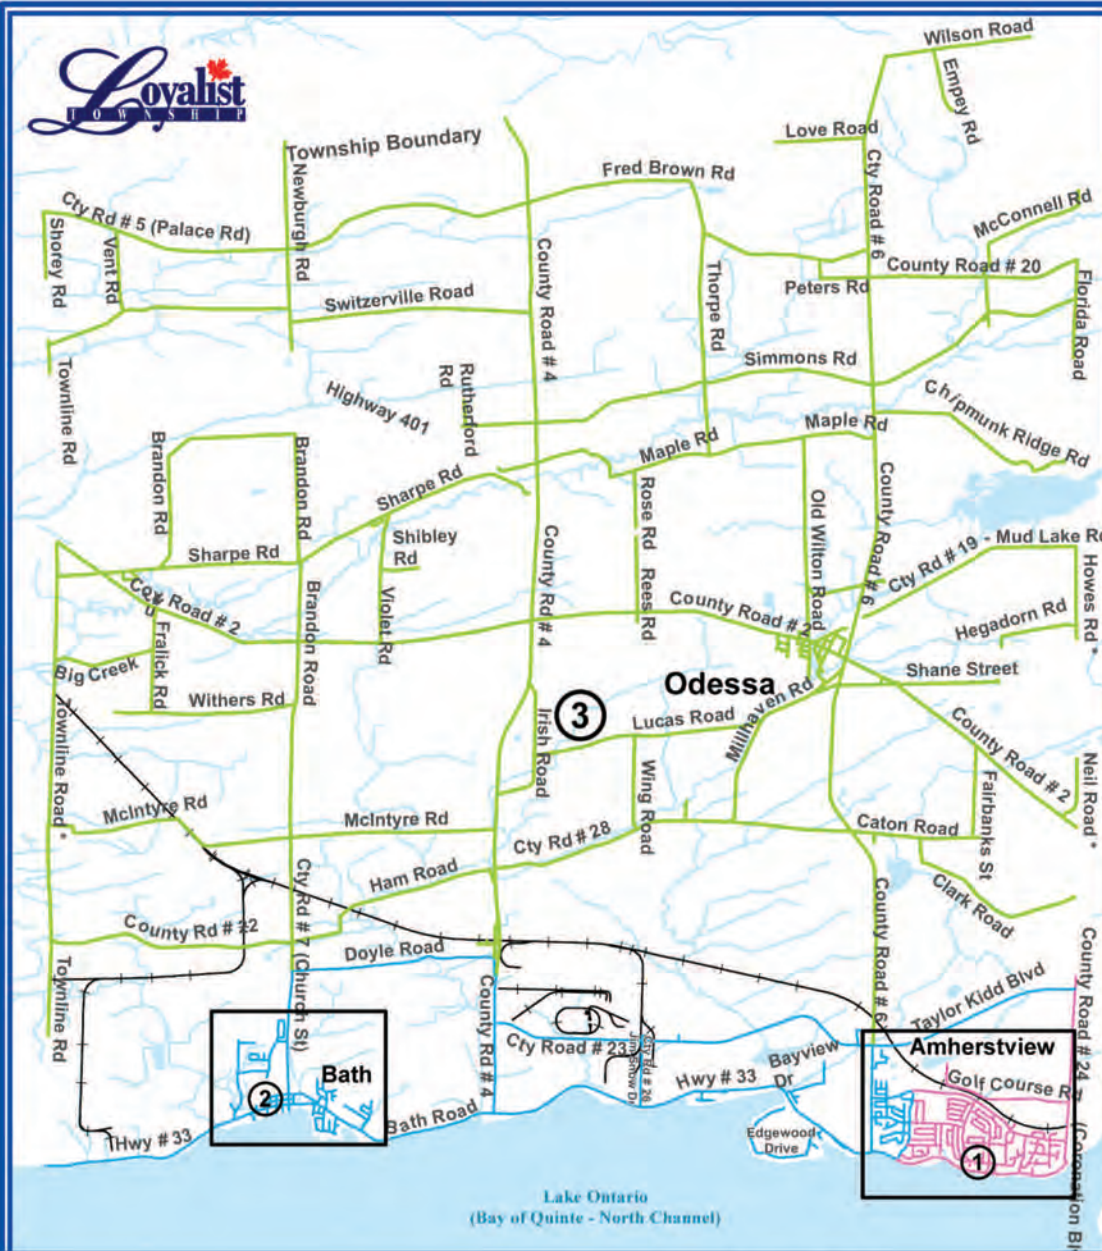

Tiresrpra.ca/programs/tires

- To keep tires out of landfills, tire producers are responsible for ensuring used tires are collected and recycled or reused. To find a collection site, visit the Resource Productivity & Resource Authority website at rpra.ca/programs/tires

Hazardous Household Waste (HHW)		Loyalist LANDFILLS	
Details	Kingston Area Recycling Centre (KARC) HHW Facility	Violet Landfill Site	Amherst Island Landfill Site*

If your recycling box is damaged, return the damaged one to the Odessa Office where it will be replaced free of charge.

Battery Recycling

Loyalist Township has a battery recycling program to help residents safely recycle batteries. Recycling your batteries helps protect your community from harmful materials.

Where Can I Recycle Batteries?

There are three battery recycling sites in Loyalist Township where residents can recycle accepted batteries.

Amherstview

- W.J. Henderson Recreation Centre - 322 Amherst Drive
- Leisure & Activity Centre - 177 Upper Park Road

Odessa

- Loyalist Township Administration Office - 263 Main Street

Find operating hours for the above recycling sites on our Municipal Offices page

Other Recycling Sites

To search for other battery collection sites outside of Loyalist Township, visit the Call2Recycle webpage at www.call2recycle.ca/.

Where Types of Batteries Are Accepted?

Single-Use Batteries: We can accept all dry-cell single-use batteries weighing up to 5kg such as: Alkaline (AA, AAA, etc.), Lithium Primary.

Rechargeables: Rechargeable batteries are commonly found in cordless power tools, cordless phones, laptops, cellphones, cameras, two-way radios, biomedical equipment, etc.

Not Sure What Type of Battery You Have? Review the Call2Recycle battery guide at www.call2recycle.ca/batteries for further details.

How Should I Prepare Batteries?

Terminals of certain battery types should be protected to prevent contact with each other, as this can cause sparks and lead to a fire.

To prevent contact, the following battery types should be placed in a clear, sealed bag (available at recycling locations) or taped with duct tape, electrical tape or another non-conductive tape. Ensure to keep the battery chemistry visible if you tape it.

- Rechargeable batteries
- Lithium-based single-use batteries
- Single-use batteries that are 12V or more
- Any batteries you are unsure of

Why Should I Recycle Batteries?

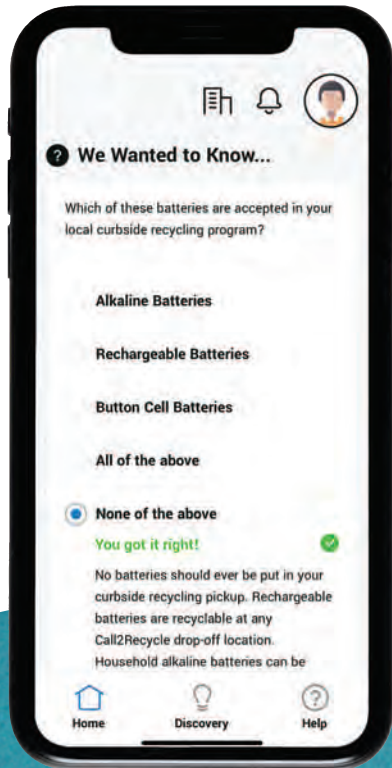

Each year billions of batteries end up in landfills, where the toxic metals they contain can enter the waste stream and harm the environment. Call2Recycle diverts these potentially harmful materials from the solid waste stream and safely recycles them for use in new products.

recycle coach

We Wanted to Know ...

Find out what is and isn't recyclable in the Loyalist Township and spend less time recycling more.

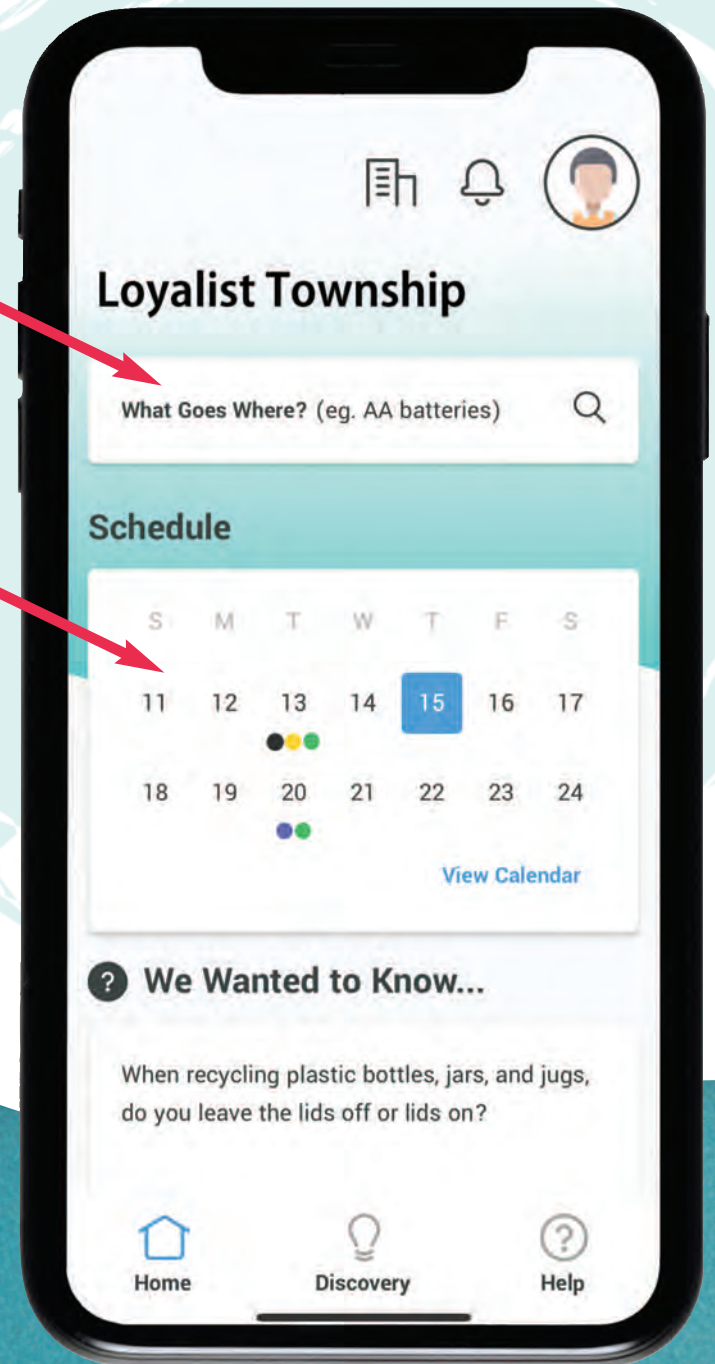

What Goes Where?

A search feature to find out if items are recyclable.

Recycle Coach
