Pre-Construction Study – Section D.01 - Confirmation of Right to Encroach

We are providing you with this letter pursuant to the request set forth in the comments to the Pre-Construction Study, Version 5, provided to Windlectric Inc. ("Windlectric") on September 5, 2017.

In these comments there was a specific request for confirmation from a principal of Windlectric Inc. that Windlectric has the right to encroach onto private properties owned by participating landowners. In furtherance of such request, Windlectric hereby confirms that it has the right to encroach on the properties owned by participating landowners. In addition Windlectric confirms that we have specific consent of all non-participating landowners where encroachment will occur.

If you have any questions regarding the foregoing please do not hesitate to contact me.

Yours truly,
