Dear Mr. Griffin:

Re: Review of Fill Permit Application

Loyalist Township's consultant has completed their review of the Algonquin Power's Fill Permit Application Submission. The application relates to Turbines S26 and S30, their access road, and Collector Line 3. The following comments are provided:

- Please provide confirmation that private works do not encroach onto Marshall Forty-Foot road.
- Please confirm that the road alignment can be moved west, if needed, to avoid impacts on the hedgerow (Note 6 states, "Access Road alignments may require field modifications to accommodate existing conditions").

Kindly review and return comment at your earliest convenience. Please contact the undersigned at 613-386-7351, ext. 117, if you have any questions.

Yours truly,

David MacPherson, C.E.T.
