

**ENVIRONMENTAL ASSESSMENT
OPTIMIZATION AND SEPTAGE RECEIVING
AMHERSTVIEW WATER POLLUTION CONTROL PLANT**

NOTICE OF COMPLETION

In order to address sewage treatment compliance issues at the Amherstview Water Pollution Control Plant (WPCP) and to provide septage disposal to the rural community in Loyalist Township, Loyalist Township is proposing to construct a septage receiving station, sludge stabilization process, and peak flow attenuation structure at the Amherstview WPCP.

The Township has planned this project under **Schedule B** of the **Municipal Class Environmental Assessment**. The Phase II Report has been completed and by this Notice is being placed in the public record for review. Subject to comments received as a result of this Notice and the receipt of necessary approvals, the Township intends to proceed with the construction of this project in the year 2007 or as funding is available. The estimated cost is \$5,800,080.

The Phase II Report is available for review at the following location:

Loyalist Township Office
263 Main Street
Odessa, Ontario

Mon-Fri: 8:30 a.m. – 4:30 p.m.
Telephone: (613) 386-7351

Further information may be obtained from the Township's consultants, The Thompson Rosemount Group Inc., 785 Midpark Drive, Suite 102, Kingston, Ontario, K7M 7G3, telephone (613) 634-7373. Attention: Pascal Pitre, P.Eng., Project Manager.

Please provide written comment to the Township Clerk within 30 calendar days from the date of this Notice. If concerns regarding this project cannot be resolved in discussion with the municipality, a person may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as a Part II Order), which addresses individual environmental assessments. The Minister at the address below must receive requests by October 12, 2006. A copy of the request must also be sent to the Township Clerk. If no request is received by October 12, 2006, the project will proceed to construction as outlined in the Phase II Report.

Minister of the Environment,
135 St. Clair Avenue West, 10th Floor
TORONTO, ON M4V 1P5

This Notice issued September 6, 2006.

David Thompson, P.Eng., Township Engineer
Loyalist Township
