

MILLHAVEN CREEK WATERMAIN CROSSING IN ODESSA
ENVIRONMENTAL ASSESSMENT

NOTICE OF PUBLIC OPEN HOUSE

An Environmental Assessment is being conducted to provide a second watermain crossing of the Millhaven Creek to improve the level of service and future growth accommodation in the west portion of Odessa. The Thompson Rosemount Group is recommending that the second watermain crossing be located between Millhaven Road and Bridge Street. Various crossing alternatives were examined through the EA process to address the water servicing shortcomings west of the Millhaven Creek.

The project is being planned under **Schedule B** provisions of the **Municipal Class Environmental Assessment**. Subject to comments received as a result of this notice, Loyalist Township intends to publish the final report with a 30-day review period, seek the necessary approvals and funding assistance and then proceed with the design and construction of this project.

For further information on this project please contact Pascal Pitre, P.Eng., Project Engineer, The Thompson Rosemount Group, 785 Midpark Drive, Suite 102, Kingston, Ontario, K7M 7G3 Telephone: (613)634-7373 Fax: (613)634-3523 or Frank Reinholz, P.Eng., Assistant Township Engineer, Loyalist Township, 386-7351 ext. 102.

To receive comment from the public, a Public Open House will be held

Thursday February 22, 2007

6:00PM to 8:00PM

Township Municipal Office

263 Main Street, Odessa, Ontario

This Notice issued February 7, 2007.

David C. Thompson, P. Eng.
Director of Engineering Services
Loyalist Township
