

ANIMAL CONTROL SERVICES

Other Animals:

The Loyalist Township Animal Control agency only deals with animals that present a danger.

If you are bothered by nuisance animals (bats, fishers, raccoons, skunks, squirrels, etc.), please contact a pest control service listed in the yellow pages under Pest Control.

If there is an emergency situation involving a large animal on a roadway, etc. or another animal which may be potentially dangerous, please contact Frontenac Municipal Law Enforcement - 613-541-3213.
