

AMHERST ISLAND FERRY SERVICE

PUBLIC NOTICE

The Quinte-Loyalist will be replacing the Frontenac II at Amherst Island April 7, 2008 at 10:00 a.m. weather permitting. Expect delays while the ferry switch over takes place.

Disruption of service may be up to two (2) hours to accommodate adjusting the ramps at the docks etc.

Please note:

- There are no public washroom facilities on board the Quinte-Loyalist
- Vehicle weights are restricted to 12,000 kg (26,400 lbs) for tandem trucks and 5000 kg. (11,000 lbs) for single axle trucks
- Passenger capacity is 117
- Vehicle length should be restricted to twenty seven (27) feet overall length
- Ice conditions may affect running times

Hopefully, we will get through the time we have the Quinte Loyalist with the minimal amount of disruption. We thank you in advance for your patience and co-operation
