Loyalist Township will be holding an OPEN HOUSE at the Municipal Office in Odessa on Tuesday, SEPTEMBER 9, 2008 from 6 p.m. to 8 p.m. with a presentation at 7 p.m. Water and sewer user rates are proposed to increase again in 2008, with further stepped increases to the flat rate above the rate of inflation over the next five years. The increases are proposed to ensure system revenues remain sufficient to adequately fund service area specific operational maintenance and capital replacement costs over a 20-year horizon. The Open House will be held to provide details on the proposed rate increases and the reasons therefore.
