

Western Cataraqui Region Groundwater Study

On October 22, 2007 at 6:00 p.m. in the Loyalist Township Council Chamber the Cataraqui Region Conservation Authority (CRCA) will present the results of a regional groundwater study to complement the work done in the Township Study. The presentation will include recommendations to ensure a safe groundwater supply and takes the Township Study one step further in developing a Township wide implementation plan. If you wish further information prior to the meeting click the link below that will take you to the CRCA web site.
